SECTION II

COMMENTS (From Original Addressee)

TO : LEGISLATIVE COUNSEL
OFFICE OF GENERAL COUNSEL

FROM: Chief, Medical Staff

This Bill is similar to other legislation introduced by Mr. Virson on this subject. It differs in permitting use of military facilities for dependent care in addition to providing an insurance program. Also, for the first time, the United States Public Health Service, the Coast Guard, and the Geodetic Survey are included. This recent inclusion adds strength and impetus to favorable consideration. Suggest these developments be followed in view of possibility of future Congressional consideration of overseas civilian needs for Government employees and dependents.
